

Taylorion Academy maintains a detailed process for conducting public random drawings to the extent required.

OPEN ENROLLMENT

Applications are accepted during a publicly advertised open application period each year for enrollment in the following school year.

Following the open enrollment period each year, applications are counted to determine whether any grade level has received more applications than availability.

In the event that this happens, Taylorion Academy shall hold a public random drawing to determine enrollment for the impacted grade level, with the exception of existing students, who are guaranteed enrollment for the following school year.

WAITING LIST

At the conclusion of the public random drawing, all students who were not granted admission due to capacity shall be given the option to put their name on a waiting list according to their draw in the lottery.

This waiting list shall allow students the option of enrollment if an opening occurs during the current school year at their grade level.

In no circumstance shall a waiting list carry over to the following school year.

LOTTERY PROCEDURES

- The Board of Directors will take all necessary efforts to ensure lottery procedures are fairly executed.
- Lottery spaces are pulled in order of grade level by the designated lottery official (appointed by the Principal).
- Separate lotteries shall be conducted for each grade in which there are fewer vacancies than pupils interested in attending.
- All lotteries shall take place on the same day in a single location.
- Lotteries will be conducted in ascending order beginning with the lowest applicable grade level.

ENROLLMENT PRIORITY

Admission preference in the case of a public random drawing shall be as follows:

- 1 Siblings of existing students at Taylorion Academy.
- 2 Residents of the Adelanto Elementary School District.
- 3 Children of Taylorion Academy teachers, staff and founders identified in the initial charter. (Not to exceed 10% of total enrollment.)
1 In accordance with Education Code Section 47605(e)(4)(B), the Charter School shall not request a pupil's records or require a parent, guardian, or pupil to submit the pupil's records to the Charter School before enrollment. - 4 All other students.

LOTTERY NOTIFICATIONS

Public random drawing rules, deadlines, dates, and times shall be communicated in the application form and on the Taylorion Academy Website.

The Charter School and the District agree to adhere to the requirements related to admission preferences as set forth in Education Code Section 47605(de)(2)(B)(i)-(iv).

- There is no weighted priority assigned to the preference categories; rather, within each grade level, students will be drawn from pools beginning with all applicants who qualify for the first preference category, and shall continue with that preference category until all vacancies within that grade level have been filled.
- If there are more students in a preference category than there are spaces available, a random drawing will be held from within that preference category until all available spaces are filled.
- If all students from the preference category have been selected and there are remaining spaces available in that grade level, students from the second preference category will be drawn in the lottery, and the drawing shall continue until all spaces are filled and preference categories are exhausted in the order provided above.
